

INSTRUCTOR BIOGRAPHIES

Larissa Voytek RDH, DipDH, BA, HBSc, MS (Ed. Candidate)

Larissa is and has been the Program Director of the Dental Hygiene Program at ODEI since September 2004. She completed an Honours Degree in Science from McMaster University, a Bachelor of Arts in Psychology from the University of Waterloo, a Diploma in Dental Hygiene and will graduate with a Masters of Science in Education in March 2011. She is a Director on the ODHA Board as well as the Hamilton-Burlington Ambassador, a member of CDHA's Education Advisory Committee, an item writer with the NDHCB and an advocate for dental hygiene education in Ontario.

Michelle Atkinson, RDH

Michelle is a graduate of Canadore College and has been a registered dental hygienist since 1990. She has experience in many facets of the dental hygiene profession. She has and continues to work in clinical dental hygiene as well as has experience as a dental consultant and a professional dental sales representative. She has former teaching experience in both dental assisting and dental hygiene programs. As well, she has been the Program Director of a dental hygiene program. She started at ODEI in March 2009 and since then has been involved in both didactic and clinical courses.

Janet Aquilina-Arnold, RDH

Janet has been a clinically practicing dental hygienist since 1985 graduating from Seneca College in Toronto. Her practice settings included a major cancer hospital and a general dental practice. Janet is committed to, and a proponent of, life-long learning and in 2011 plans to graduate the Dental Hygiene Degree Completion Program through the University of British Columbia earning a Bachelor of Dental Science Degree. In addition to being an instructor at ODEI, Janet also develops and presents professional development programs with a focus on the implications of various cancers for dental hygiene practice.

Jennifer Cooper, RRDH

Jennifer is a graduate of both the Dental Assisting and Dental Hygiene programs at St. Clair College. She also holds a diploma of Dental Therapy and her Restorative Dental Hygiene credentials. Jennifer has previous dental hygiene teaching experience in both didactic and clinical courses and is currently finishing her Bachelor of Science degree. She is presently working both as a clinical instructor at ODEI as well as continuing to work in private practice.

Deborah Corning-Hamilton, RDH

Deborah has been a registered dental hygienist since 1985. She has worked in many dental practices throughout the Hamilton area. She comes to ODEI with 8 years of teaching experience. Positions held during this time include dental hygiene instructor, academic coordinator, and program director. While working towards a degree in general studies, she is also busy taking courses in adult education.

Leslie Kenwell-Simpson, RDH

Leslie holds multiple diplomas from George Brown College in the dental field: Dental Assisting, Dental Hygiene and Restorative Dental Hygiene. She also has a diploma in Business Administration from Sheridan College. Her experience and passion for teaching have motivated her to work towards her B. Ed. (ADED) at Brock University; taking particular interest in curriculum design. She is currently working as a clinical and didactic course instructor at ODEI.

Dr. Melissa Sander, Orthodontist

Dr. Sander completed her dental degree and Master's degree in Clinical Orthodontics at U of T. She completed a residency at Sunnybrook and Women's Hospital where she was involved in complex trauma and jaw surgery cases. She is a Fellow of the Royal College of Dentists of Canada and an active member of the Canadian Association of Orthodontics, Canadian Dental Association, Hamilton Academy of Dentists, American Association of Orthodontics, Omicron Kappa Upsilon and the AAO Foundation Vanguard Society. Dr Sander is currently a Director and Newsletter Editor for the Hamilton Academy of Dentistry. She has also held teaching positions at the University of Toronto, Departments of Undergraduate Orthodontics and Preventive Dentistry. She enjoys living in and supporting the Ancaster community.

ODEI also offers **CDHO Clinical Evaluation Preparation Courses** and **NDHCB Examination Preparation Courses**.
